CEDAT library receives award

After a survey carried out by the Makerere University main Library management, The CEDAT library emerged the best out of the 9 college and 1 school libraries. This judgement was based on how the library performed according to the University Library Annual Strategic Implementation Plan, 2011.

Some important and impressive activities from the strategic plan included Improving the Library ICT infrastructure, in which six computers were received at Technology library from the college. Implementing the Virtua system fully; in which the college library staff was trained how to use online circulation. Promoting effective and efficient information retrieval, and many others.

The College Librarian, Mr. Wilberforce L. Musoke received an award for this outstanding performance and stated that he was looking towards an even better performance next financial year.
