Invitation to PhD Defences

The College of Engineering, Design, Art and Technology invites you to the PhD defence of two of its researcher Joshua Mutambi and Julius Ecuru. They will both be defending their theses on Thursday November 28, 2013 in the CEDAT conference hall. Mr Julius Ecuru will be defending his thesis titled, "Unlocking Potentials of Innovation Systems in Low Resource Settings" at 9am. Mr Joshua Mutambi will defend his thesis tilled, "Stimulating Industrial Development in Uganda through Open Innovation Business Incubators" at 2pm. Those interested in SMEs are encouraged to attend.
