Logo Design Contest: The Renewable Energy Incubator

The Renewable Energy Incubator has launched a competition for young Ugandan design students to design a logo for the project. The winner, will receive a cash prize of $50. The contest aims to give exposure to emerging talent in Uganda. The deadline for submission is 15th April 2014.

The project supports the development of local renewable energy companies which utilize renewable energy in a sustainable and financial beneficial manner. The key project partners are Norges Vel and Makerere University(CEDAT).
The logo should reflect the project's main objective above.

All submissions, preferably in PDF or JPEG formats, should be sent to: info@energyincubator.org. These submissions will be judged by a jury from the Renewable Energy incubator. The winner will be announced on the 18th April, 2014. For more information about the competition,
