Transcripts for Students Graduating in January

The students that are scheduled to graduate in January 2012 shall have their transcripts ready for collection by November 2011. The certificates for all graduands of January 2012 shall be issued on the same day of graduation. So students who expect to graduate in January 2012 are required to clear with the University as soon as possible to avoid last minute problems with clearance. The list of the students who shall have fulfilled the requirements for the award of diplomas and conferment of degrees of Makerere University for the January 2012 graduation shall be published in the papers in November 2011 to allow those with genuine complaints to raise them before the final graduation booklet can be printed.
