Women in Technology Uganda (WITU) Launched

You are cordially invited to the launch meeting of Women in Technology Uganda (WITU) to be held at Hive Colab this Friday from 5:30 to 7:00 PM.

Women in Technology Uganda (WITU) is launching in on 28th October 2011 at 5:30pm – 6:30pm. WITU is a special interest organization of women who are interested in technology, including those directly part of technology, software developers, web designers, mobile app developers, web developers, DB ...the list goes on, those who use ICT and would like to learn more, this is for you. We have great presentations, get a mentor and become a mentor to a young lady in your skilled area of technology. Come with a friend.
