JOB ADVERT!!!!!

Programmers/Development Consultants Required

HRP Solutions (U) Ltd. is one of the leading suppliers of ERP solutions delivering cutting edge solutions based on the latest Microsoft technologies. We are looking for highly motivated software programmers to work on our innovative solutions and create new ones; at HRP Solutions you can be part of a team making great application ideas a reality.

We're looking for team members who are self-driven, like challenges, and truly want to make an impact when they show up for work each day. You must possess strong consultative, analytical, and technical abilities necessary to implement high-quality solutions. Excellent communication, documentation, and teamwork skills are required to support high quality targets and the ability to self-manage to deadlines and commitments with minimal technical oversight.

Requirements

- Fresh graduates/Finalists with a minimum of upper second class degree in Computer Science, Computer Engineering, Software engineering
- Excellent computer programming skills preferably in VB.Net, C#
- Passion for a Career in Microsoft Technologies
- Microsoft Dynamics NAV, Microsoft SQL Server, Microsoft Visual Studio certification or experience an added advantage.
- Accounting knowledge (CPA or ACCA certification) an additional advantage.
- Excellent communication skills (both written and verbal)

How to Apply

Send your application to info@hrpsolutions.co.ug or hand deliver to HRP Solutions (U) Ltd offices on Plot 49 Ntinda Road, Phone: *+256 414 580180,* before 25th July 2016, 10:00am

This should include a CV indicating a brief profile of yourself and your qualifications plus at least 3 referees. Please include copies of both your O and A Level pass slips.
