- Managers and managing 4 hours
- Evolution of management theories 6 hours
- The organisation environment 2 hours
- The global environment 2 hours
- Ethics ,social responsibility and diversity 4 hours
- The manager as a decision maker 2 hours

- The manager as a planner and strategist 4 hours
- Organisational structure 4 hours
- Organisational control and culture 2 hours
- Human resource management 4 hours
- The manager as a person 2 hours
- Motivation 2 hours
- Leadership 2 hours
- Groups and teams 2 hours
- Communication 2 hours
- Organisation conflicts, politics and change 4 hours
- Management of information systems and technology 4 hours
- Operations management 4 hours
- Management of new product development 4 hours

***Delivery Methods:***

The course will be taught by using lectures and tutorials

**Assessment Methods:**

Course work (assignments and tests) and final examination and their relative contributions to final grade are shown as follows:

***Requirement Percentage contribution***

Course work 40%

Final examination 60%

**Total 100%**
