## Call for Application for SoEng Students Internship Funds!

The School of Engineering at CEDAT through financial support of the UNESCO-China Funds-in-Trust (CFIT III) Project calls for students in the Departments of Civil & Environmental Engineering; Electrical & Computer Engineering; and Mechanical Engineering that are currently doing their industrial placement internship to apply for funding under any of the following three categories. The maximum funding for each student has been enclosed in brackets. Please note that a maximum of 10, 8, and 5 students will be selected for the respective three categories.

- 1. Professional Development (UGX 300,000)**
  - a. Detail your industrial training or career goals and how this internship fund will help you achieve them.
  - b. Demonstrate a gap in your current funding and how this particular fund would be helpful.
- 2. Community Impact (UGX 500,000)**
  - a. Provide a plan demonstrating how you intend to extend services of your industrial training Company/Institution/Trainer to the nearby communities.
  - b. Detail the envisaged positive impacts on communities.
- 3. Innovation and Creativity (UGX 750,000)**
  - a. Present a proposal for improving processes at your current training facility.
  - b. This proposal will result in your final year project.

## How to Apply

- a) Compile a CV (2 pages max.) that includes your academic qualifications, work/training experience, relevant extracurricular activities, and industrial training and academic referees.
- b) Latest academic testimonial.
- c) Write a personal statement (1 page) detailing your objectives for applying for funding, how it aligns with your study, training and career aspirations, and why you should be considered for the placement funds.
- d) Provide no more than two pages of the technical and financial proposal of how you intend to use the funds.
- e) Submit all documents as one PDF by the 12<sup>th</sup> of July 2024 at [cedat.soe@mak.ac.ug](mailto:cedat.soe@mak.ac.ug) and with copy to [francis.mujiuni@mak.ac.ug](mailto:francis.mujiuni@mak.ac.ug). Make the subject of the email "**SoEng Students Internship Funds**".
- f) Successful candidates will be notified by the 24<sup>th</sup> of July 2024.

For queries, please send email to Dr. Francis Mujjuni, Lecturer, Department of Mechanical Engineering at [cedat.soe@mak.ac.ug](mailto:cedat.soe@mak.ac.ug) and with copy to [francis.mujiuni@mak.ac.ug](mailto:francis.mujiuni@mak.ac.ug)
